MEMORANDUM FOR: Chief, Mobilization and Military Personnel Division

ATTENTION :

[REDACTED]

25X1A

SUBJECT :

Reassignment and Extension of Tour - [REDACTED]

25X1A

25X1A

1. It is requested that the following action be taken on [REDACTED] 25X1A

[REDACTED] :

a. Cancel his release to the United States Air Force.

b. Reassign [REDACTED] from a regular agency assignment 25X1A  
to the Project.

c. Extend the tour of [REDACTED] for three years to 25X1A  
December 1962.

2. The above requests will allow for a permanent change of station assignment to the Project Supply Depot. This has been discussed verbally with Colonel Geary, AFCIG-5 and he has indicated that he foresees no problem in accomplishing the request.

25X1A

3. [REDACTED] possesses those qualifications which are not only  
desirous but required to fulfill a new position under [REDACTED]  
Time and money saved in clearances, etc., add to the desirability of the  
requested action. Expedited handling is required in that [REDACTED]  
has been informed by your office that he is being considered for a service  
school on which quotas are to be issued in the very near future. He  
voluntarily requests release from previous commitments in this respect  
should this assignment be approved. In order for him to program his time  
he requires thirty days notice to his landlord prior to vacating his home  
and this would allow him approximately twenty-five days to complete the  
move to the new station and permit entering his children in school prior  
to commencement this fall.
